

lucky in love

Odds-on favorites for a happily ever after, Dana and Jordan were feeling the love and trying their luck, along with family and friends, at their rehearsal dinner casino night designed by Unique Weddings by Alexis. | With breathtak-

ing views of Boston from the Top of the Hub, guests enjoyed the sights and sounds of an authentic Vegas-style casino right in downtown Boston. Dana and Jordan, who love everything about Las Vegas, wanted the night before their wedding to be casual, laid back and a fun welcome for all of their out-of-town guests. Your Wedding Casino by Casino Productions provided the regulation roulette wheel and craps table and party goes let loose as the dice flew and stacks of chips fell during this exciting kickoff to a weekend of wedding celebrations. A swanky VIP lounge by Rentals Unlimited allowed the high rollers an intimate spot to enjoy cocktails, visit with the couple and rest up before hitting the tables again for an evening of more fun and gaming.
